Policy Statement Concerning Timely Warnings

Campus Security

9/22/2013

In the event that a situation arises, either on or off campus, that, in the judgment of the Campus Hollywood Security or other qualified member of management constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through the college e-mail. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Campus Hollywood Security Office may also post a notice on the EI website (www.ei.edu) providing the school community with more immediate notification. In such instances, a copy of the notice will be posted at security desks throughout the campus as appropriate. Barring any system failures, the EI website is accessible via computer by all faculty, staff and students. Anyone with information warranting a timely warning should report the circumstances to the Campus Hollywood Security Office, by phone (323.860.1127) or in person at security locations at any of the entrances to EI buildings/campus.
